### HUNTINGTON COUNTY AWARDED \$1,365,897.40 IN COMMUNITY CROSSINGS GRANTS

HUNTINGTON, Ind. (April 12, 2024) – Huntington County has been awarded Community Crossings Grants for several roads within Huntington County.

The projects include a 1.5" mill and resurface on CR 408W from 100N to the Cul-de-sac, a 1.5" mill and resurface on several roads in Majenica being CR 412S, CR 101W, CR 405S, CR006 W. The projects also includes a 2" mill and surface on County Road 200N from Etna Avenue to the City Limits, a 1.5" mill and resurface on Broadway from US 24 to CR 600N, a 1.5" mill and resurface on Taylor Street from Broadway to Meridian Road, a 2" overlay on CR600N from SR9 to CR300W and lastly a full depth reclomation on CR 1200S from SR9 to CR800W.

With our match of \$341,474.40 added to the grant of \$1,365,897.90 means that there will be a total of \$1,707,372.30 of asphalt paving within the County.

“Huntington County is excited to have been selected by INDOT for this funding. We would like to thank the Indiana Department of Transportation (INDOT) for choosing to help fund our road projects. The Community Crossings Grant is a great tool to help in the maintenance and preservation of our County Roads. The Commissioners and myself are dedicated in working together to provide the best infrastructure for the County. We will continue to being aggressive in going after funding to improve and maintain the infrastructure of Huntington County,” stated Troy Hostetler, Highway Superintendent.

“There is a great effort put forth by everyone involved in getting this type of funding. We work hard to bring these federal dollars back to Huntington County to improve and maintain our infrastructure. We are proud to have been awarded these funds and will continue to seek funding opportunities for Huntington County,” stated Commissioner Tom Wall.
